This decision is in response to applicant's filing of 23 January 2004 which is being treated as a renewed petition under 37 CFR 1.137(b). The renewed petition to revive under 37 CFR 1.137(b) is hereby **GRANTED** as follows:

Applicant previously paid the appropriate petition fee and provided a statement attesting that the entire abandonment period for the present application was unintentional. In addition, no terminal disclaimer was required for this application. The only remaining issue was the filing of the proper reply, a compliant oath or declaration of the inventors.

A review of the declaration filed 23 January 2004 finds that it is compliant with 37 CFR 1.497(a)-(b). As such, applicant has satisfied all four items for revival of the application. Further, a review of the application file finds that applicant has satisfied all of the requirements under 35 U.S.C. 371 for entering the National stage in the United States.

The application has an international filing date of 07 August 1998 under 35 U.S.C. 363 and will be given a date of **23 January 2004** under 35 U.S.C. 371(c)(1), (c)(2) and (c)(4).

This application is being returned to the United States Designated/Elected Office (DO/EO/US) for treatment in accordance with this decision.
